we dedicate to our town...

- ... because it has given us these years of opportunity

The Huntington Library is the outstanding single feature of our city; likewise, administration is the outstanding single feature contributing to our school.

Administration includes the Board of Education, the faculty, and the counselors. Each part of our administrative system is vital to the whole, and to the objective of the school—the developing of well-educated and well-rounded graduates.

Mike-
Best wishes and
good luck next year as

The Board of Education is dedicated to improving the standards of the whole San Marino Unified School District. Together with the Principal and Vice-Principals of San Marino High School they decide the policies for our school.

Board of Education, L. to R.: D. Hammack, B. Alexander, F. Rice, L. Sanders, A. Bennion, W. Dingus, W. Higman.

Children and youth are a community's hope for the future. Our public schools have been established and are supported by the people as a means of assuring this hope—of providing youth with the knowledge and skills necessary to face the challenge ahead. The professional staff of our school has been entrusted with the task of implementing the curriculum established by the Board of Education and of creating the best possible learning environment. At the same time, students have the responsibility to themselves and to the future of our great country to take advantage of this marvelous opportunity to learn. Thus our school is a vital part of the community dedicated to the goal of educating for responsible, enlightened citizenship.

Our 1962 graduates have accomplished an objective. Many of these Seniors have exceeded all expectations and offer in their accomplishments a challenge for all students who follow. We wish the utmost success to every graduate as each takes the next step in fulfilling the trust and hope of the community of San Marino.

The student government consists of the student council, the House of Representatives, Boys' Forum, Girls' League, and class officers. The students appreciate the exceptional San Marino Public Library provided by our community. There the students spend hours of study preparing for their subjects. It is a place where individuals from the four classes can meet.

Each class has its individual characteristics and these are interwoven to form a unified student body. In the background, yet evident, is a feeling of friendly rivalry, which contributes to the spirit of the school. Each individual is proud of being part of his class, for this is a symbol of his educational progress.

The Huntington Sheraton Hotel represents part of the social phase of our campus life. The traditional Junior-Senior Prom, climaxing the year's social activities, has always been held around its pool and gardens.

Another part of our social life includes the many honor societies to which outstanding students belong. Clubs also contribute to our social life by giving students the opportunity to meet others and to learn to work harmoniously. These are some of the phases of our campus life which make it more interesting and meaningful.

The goal posts are always decorated before the football games by the Pep Commission. This is an example of pep building enthusiasm for athletics. Enthusiasm in turn develops the strong school spirit needed to help the individual student feel he is part of his school. This pep effort is carried out by the combined efforts of the Pep Commission, yell leaders, song girls, flag girls, drill team, band, majorettes, and Titan Tim. These groups work hard putting on assemblies, making posters, distributing pep signs, and practicing for hours to reach perfection. The student body salutes the untiring efforts of the entire pep team.

The San Marino varsity football year was a disheartening one both in the sense of championships and previous Titan teams, but it presented to its direct and indirect participants a chance of displaying moral courage and spirited determination. The season was complete in respect to injuries to key players, fumbles on the one yard line, penalties styming our drives, and interceptions climaxing our drives instead of touchdowns. However, there was a time of enthusiastic excitement, but it was all too brief. The victory over Monrovia was in itself a great achievement, never having been done before by a Titan varsity football team, but in addition it had all the color and excitement football has to offer for the fans. As many graduating seniors look back on their final high school year, football will come to their minds and the victory over Monrovia. The other games, although mingled with losses, were courageously fought by a clean, spirited, well-coached team. This is your '61 football team deserving your whole-hearted appreciation for representing you as San Marino.

The Titans started off the year battling Arcadia, whose team was stronger than last year's team, which entered the C.I.F. playoffs. Pictured here is the San Marino touchdown scored by Mark Foss, who is at the bottom of the pile. Ivan Peterson's (63) wedge blocking opened hole for the score.

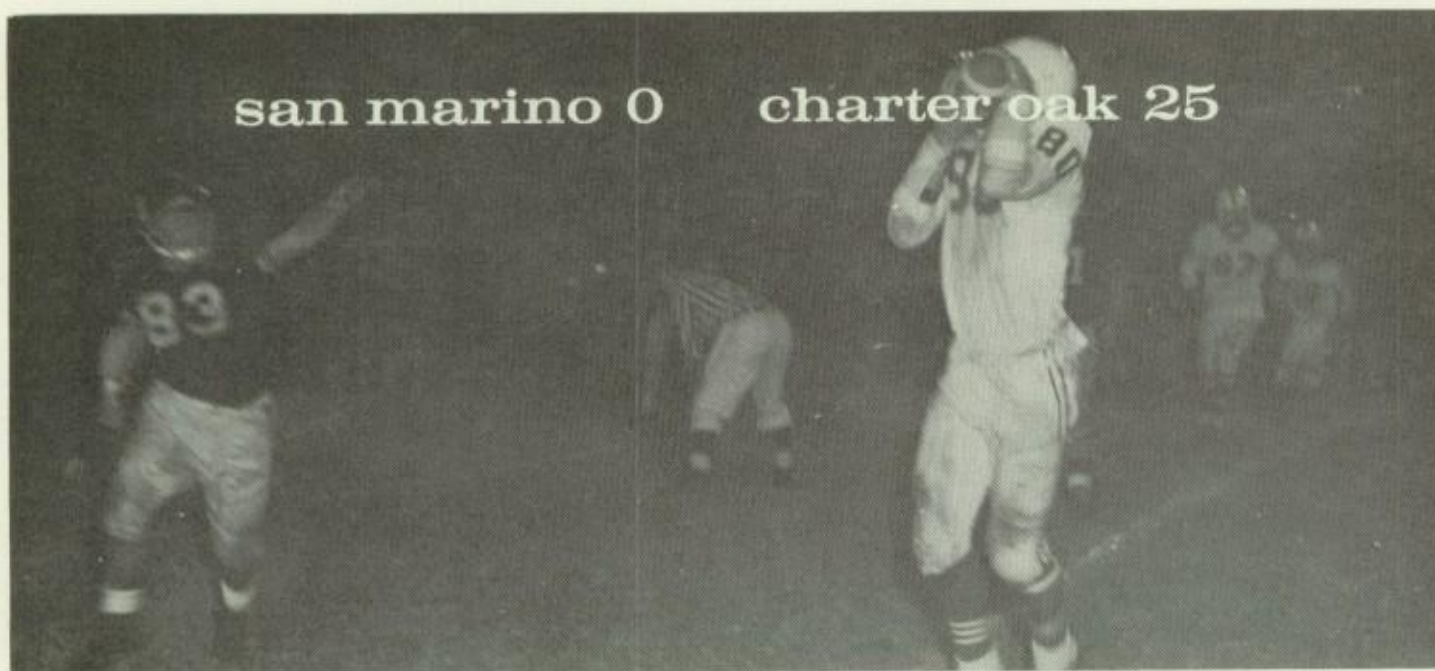

The San Marino-Monrovia football game was battled touchdown for touchdown with San Marino kicking two extra points to Monrovia's one being the margin of victory. This win over Monrovia, the first in S. M.'s history, highlighted this season. Corey Cherrstrom is shown here meeting Monrovia ball carrier head on with Ivan Peterson and Rick Wells eagerly ready to explode into him at any sign of him getting away.

The San Marino-San Gabriel game, played on our field, started out as a San Marino rout; but before it was over San Gabriel staged a spirited comeback only to fall short 14-13. Here Jim Edmonds, one of the finer Rio Hondo League backs this year and last, cuts between two would-be tacklers and rambles for good yardage.

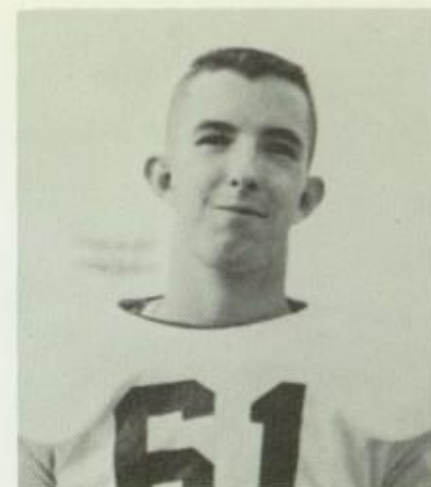

Arroyo, fresh from a victory over Arcadia, and the Titans, having heroically upset Monrovia the week before, set the stage for a hard fought battle between two hard riding clubs with Arroyo eeking out a victory 20-18. Mark Foss is shown here rounding end for a few yards as Ivan Peterson hustles to give assistance.

san marino 0 charter oak 25

The San Marino Titans opened league with an even record, having played four top Triple A high schools. Charter Oak, a sharp, speedy team, just entered our league this year from a Single A league where they had repeatedly won championships. The first half was fiercely fought with both teams leaving at half time without a point to show for their efforts. In the second half, however, the Lancers struck quickly with Layman unreeling a 46 yard run for a score. After the ensuing kickoff the Titans, with a spirited ground attack, drove down to the Lancer two-yard line where a fumbled handoff between Mark Foss and Jim Edwards stopped the drive and also our spirit. Charter Oak then danced on to a 25-0 shutout. Shown here pulling in a pass from Mark Foss is Bill Halley, a 6' 3" 210 pound senior, who's as tough an end as you'll find in the C.I.F.

BOB STEBBINS

MIKE GREENBERG

The San Marino-South Pasadena game, as is custom, was played before a full house on the Tiger's home field. The game in the eyes of the Tiger fans was going along peachy cream in the first half with their team leading 12-0 at intermission. San Marino, taking the second half kickoff with the Titan's spirited fans backing them all the way, marched forcefully for a score and conversion, cutting the deficit to 12-7. After this inspired drive the Titans made two costly fumbles, one which led to a Tiger score and the other stopped a Titan threat deep in Tiger territory. Nevertheless, San Marino came fighting back, scoring on a 20 yard pass from Foss to Halley, but it wasn't enough as time ran out and we were defeated 18-14. Here Don Carver, after scampering through a gaping hole opened in South Pas. line, turns on the speed eluding nearest Tiger tackler to pick up needed yardage.

The Duarte game, the only laugh of the year, was 19-0 at the end of the first quarter. For all intents and purposes it could have ended right there without any regret from players and fans alike as S.M. romped 33-0. Paul Hoyt is shown here gathering in a pass from Mark Foss for final touchdown.

The Homecoming Game, culminating the '61 football year, was witnessed by football fans and admirers of the Queen and her Court alike. San Marino in the first half playing hard poised football led 19-7. The second half, featured by a Bell Gardens comeback as San Marino time and again were penalized out of reach of the Lancer's goal line. Nevertheless, the Titan defense held firm and San Marino's season ended victoriously 19-13. Corey Cherrstrom (30) and Rich Grosch (43) combine efforts in knocking down pass intended for Lancer end, Bill Hensel with good pursuit hustles to assist play.

San Gabriel, for years one of the most powerful "B" teams in the valley, humbled San Marino 26-6. The Titans, playing this tough adversary, were tuning up for next week's tussle with Charter Oak, whom they defeated 27-14. Chris Peterson (41) and Craig Halley (80) are shown here applying crushing tackle to San Gabriel back.

Head Coach MR. ROBERT MAHONEY
Asst. Coaches MR. RON ROBERTI and MR. FRED LAWRENCE

THE SAN MARINO "B" FOOTBALL TEAM previous league champions for many a year was finally knocked from its pedestal. Since the '57 team powered its way to the championship four years ago, "B" teams have been steadily sliding down hill except for the '59 team which slaughtered all league opponents. The '58 and '60 teams, both losing one league game, gained championships by victories over Temple City. The '58 victory, scored on a second half comeback, was 27-7 while in '60 they won in the final seconds 13-7. In the '61 season, however Coach Robert Mahoney's dynasty ended at the hands of a fired up Temple City team. The year's team, although lacking in experience, didn't lack spirit, a prominent feature of Coach Mahoney's teams. This spirit was shown in their final game. After losing to Temple City 26-6 and Duarte 7-6 ending all championship hopes, they came back and beat Bell Gardens 27-19 after trailing early in the game 13-0.

"C" FOOTBALL TEAM of 1961 was confronted with the same problem that has slowed down past "C" teams—lack of experience. Coaches Long and Gordien worked hard with boys who were eager to learn but had too much to learn. As the season progressed, the team steadily improved, and by the season's end they were looking like a ball club. Much credit is due the coaches for their accomplishments with the boys. I'm sure these participants, when their time comes, will be part of a strong varsity squad as is the custom at San Marino.

The WATER POLO TEAM in its second year compiled an even 5-5 record against some of the strongest teams in the area. The team, greatly improved by the six returning varsity lettermen, lost its opener to a rough Hoover squad but bounced back and smashed Pasadena 22-11. Then they came up against three of the toughest teams in the area and met defeat. But learning from their mistakes they came back and won four straight. However, in their last game they were defeated by Whittier, which placed second in C.I.F. last year. The spirit on the team, led by captains Don Balfour and Roger Krauel, was a tremendous factor in the team's comeback. The high scorer and most valuable was Sandy Smith and Andy Mikesell the most improved. Prospects for next year look great since the Junior Varsity had an impressive 7-3 record.

COACH JACK BRADFORD

The 1961 SAN MARINO CROSS COUNTRY TEAM had the most successful cross country season in S.M.H.S. history. The Varsity placed fifth in the C.I.F. Small School Finals, although they placed second in the Rio Hondo League to Charter Oak. The Junior Varsity finished undefeated in League competition and sends up the entire squad to next year's Varsity. Individually Captain Bob Day finished second in the C.I.F. Finals — ironically this was his first loss in fifteen meets. Bob, who broke six course records during the season including the Lacy Park course record by

running the 1.85 mile course in 8:41, won the league individual championships. Jerry Harpster, a senior transfer student, became the second fastest Titan runner in history. At the Junior Varsity level Lee Gregg was League champion followed by Charles Petit, Al Graham, and Nils Venge, as freshman Dave Yetter was Frosh League champ breaking the school record for that grade. This was a team of great energy, fine team spirit, and loyalty. It became the first Titan Cross Country team to place in the C.I.F. meet.

COACH GARLAND LEWIS
Garland Lewis

The 1962 SAN MARINO VARSITY BASKETBALL team, at the printing of this section, was struggling to stay in contention for a representable league standing. A team that lacked strong senior support on the court, causing a lack of depth, had as its captain, senior Jim Edmonds, a sound devout leader, who together with coach Lewis was getting the most out of a predominately junior team. John Riggs is the team's main scorer while the three front men Ron Finne, Pat Touhy, and Jim Edmonds pulled down most of the rebounds. The fine spirit and effort upheld by these boys throughout the season deserve credit, and next year's seniors should be in good shape to bring home a Rio Hondo League Basketball Championship.

*non-league play.

Coming from a championship 1961 season, the Bees, losing all their talented players to the J.V. and Varsity squads, were left with a very skimpy squad of mostly freshman and inexperienced sophomores. Struggling through hard, late practices, Coach Kurlak and his boys worked diligently, improving every game; and at this point they were in good position for high league standing and possibly a championship.

"B" BASKETBALL TEAM, Top Row: D. Wray, Stuart Smith, Les Waite, Chris Grady, George Manale, Bill Winne, Roger Greene; Bottom Row: Bill Bonas, Bill White, Roger Faith, Mike McKinley, Jim Rawn, John MacDonald, Bill Elftman.

George Manale working on his dribbling finds it tough work to get by talented John MacDonald. The Bees a hard working outfit were to enter the Santa Monica Basketball Tournament upon the season's close.

Enthusiastic fans and yell leaders give their full-fledged approval of a successful Bee victory over Temple City while the Varsity trots onto court ready to meet the Rams for the first time this year.

"c" basketball

Coach Bob Cunz

The "C" Basketball team wound up pre-season play with a few wins and a few losses. However, starting league they ran into some tougher competition and were having a real problem winning their share. Coach Cunz, working with a predominantly freshman team, was trying to mold his boys into a representable outfit.

The 1962 Varsity Track team losing '61 performers like Lew Hoyt, Bill Harriman, and Judd Stanley had some big spots to fill. However, returning sprinters Paul Hoyt and Tom Abbot and distance star Bob Day were heralded to be promising performers. Coaches Ron Roberti and Fortune Gordien had every right to expect another league championship with a spirited, determined team.

The Bee team, like the varsity, is showing great promise this season and should place highly in the league. Again the coaches are working them very hard and are already getting results. The sprinters lead Chip Dawson and Chuck Ludlam will probably be their strong point.

The Cee's are mainly composed of freshmen and some sophomores; therefore this is the so-called "training grounds" for future varsity athletes. Although they are just starting to experience their long career, they contribute a great deal to the team as a whole. This year the boys are out to break many records, and at the rate they're going, they will.

varsity baseball

COACH ROBERT MAHONEY

The 1962 San Marino Varsity Baseball Team was off to a good start by downing their first opponents. With dedicated seniors running the club, they worked hard toward their goal — the league championship. Last year as you remember, San Marino's baseball team was highly rated, compiling an overall record of 18-2. The two losses, however, were to South Pasadena whom they tied with a 8-2 league record, but the Tigers got into C.I.F., not San Marino. This year, with seniors Mark Foss, Don Carver, Bill Halley, Jim Edmonds, Joel Wiese, and John Wheeler setting the pace, they are determined to be the first baseball team to represent San Marino in the C.I.F. play-offs.

Managers L-R: Rich Sprague, Steve Hooper, and Terry Lee. Statistician: Charlie Munro (not shown).
